J. H. Evans is very busy talking amongst people in village. Was telling them that yesterday there were 1400 hands out - and only 900 at-work also that only 4 hands besides himself are not on notice in Weave Room.

Eva May Daniels is one of the most vindictive amongst the female strikers.

Grady Abernethy wants  
to come back also  
Walt Abernethy.

Reports are that  
Walt has promised to  
marce it - hot - for some  
who are now working  
if he does get-back

I think from ~~Reports~~  
that Grady will be OK.  
but - the other has been  
an active worker in  
picketing and is responsible  
for Grady being out
