

Q# ____ . What encouragement is given the help to save their earnings?

9 A.# ____ . The employees are encouraged to save their money. They are given the opportunity of depositing their earnings with the company at 5 per cent, with the right to draw the same at any time on demand, and many of the help have availed themselves of this. In two years one of the employees, by name S. J. Jenkins, had deposited \$870.00 with the company, which resulted from earnings of himself and wife, both of whom are weavers.
