OE-5

Edwards-Adams Studio,

40½ Whitehall St., City.

Gentlemen:

Will you please deliver to bearer the large wash drawing which we loaned you.

We would also like for you to take a photograph of the home of E. C. Hinton, 45 Flora St., and S. L. Roberts, 11 Berean Ave. Flora St. is the farthest removed; that is, out towards Kirkwood, but you no doubt can find the location in the Directory.

We want these made in prints the same size as you have been making for us, unmounted, and ~~two~~ three from each plate.

We do not want the owners of this property, (the present tenants), to know that you are making these photographs for us; we simply want you to make them, and take a view the same as you did for us on the other property; that is, showing the dilapidated, or the worst features, of the property itself.

Yours truly,

FULTON BAG & COTTON MILLS

P. S.

Prest.

Also see us about getting a satisfactory photograph of the concrete wall on the east side of our property.
