OE-5

Mr. Walter Drew,
C/o National Erectors' Association,
286 Fifth Ave., New York, N. Y.

Dear Sir:

We thank you for your wire reading as follows:

" Massey wires offering to sell
strikers' testimony Atlanta hearing for one hundred
dollars Have wired asking price per page for por -
tion in case all not desired Do you want testimony
this figure "

We had already been talking to Massey trying to get
him agree to let us have the testimony, and finally told him
that with your influence you had arranged with the Commission that
we would have a right to buy a copy of the testimony. After
explaining to him that we would not, under any circumstances, pay
him \$100.00, and made him our maximum offer of \$50.00, he concluded
to accept same.

Your Mr. Macintyre is fully conversant with the record,
so we presume it is all right for us to simply keep it here, as
you probably will not want to see it.

Yours very truly,

FULTON BAG & COTTON MILLS

Prest.
