At the Home of Mrs Meadox - 46. Kirkwood. Ark  
 It is reported that 10 or 12 women are now engaged  
 in making an effigy of Gov Deaton which is to  
 be hanged tonight & then set on fire & dragged  
 at rear of auto through the city at a meeting  
 last night in Inman Park near Presby Church very  
 inflammatory remarks were made against the Jewish people  
 & if burning effigy is brought thro Decatur St -  
 it may in all probability lead to rioting =
