

Mr. D.E. Mr. J. ~~W. Wood~~

Mr. McCuen says <sup>from</sup> ~~Return to~~

mill is 12 miles from Greenville and only about 10000 of all mill. He knows no one there at present, but will find out all he can & report.

He further states that Monaghan mills gave what they called a "Christmas present" amounting to about 5% and other mills around ~~gave~~ Greenville gave about the same.

Just recently our spinner in #2, Mr. Wood, received a check from Hillside Mills La Grange, Ga., for about \$9000, his bonus for the time he was there. This bonus includes everybody on pay rolls of the mills.

Exposition Mills gave out baskets of fruit and provisions

Other mills I have heard of but don't know positively about gave an extra weeks pay.

Respectfully

W. J. Wood
